

## VERIFICATION IN U.S. NAVY AVIATION OR SUBORDINATE COMMANDS FORM

Beginning with most recent (or current), list the dates served and duty assignments in **U.S. Navy Aviation or subordinate commands** to meet the minimum eight (8) year cumulative requirement.

- Time spent in flight school **does not** count towards the eight-year requirement.
- This document will help the Wings Over America Scholarship Foundation identify those commands you believe contribute to the eight-year requirement.
- Any child (natural born, adopted or stepchild) of a member of the U.S. Navy who has died while on active duty serving with a Navy aviation or subordinate command as described above, may qualify, regardless of the length of service of the deceased parent.
